## WORK IN DENMARK

Looking for a job in Denmark?

Looking for new challenges?

Workinddenmark is part of the Danish Labour Market Authority and the European Employment Service (EURES). We provide professional free public service for Danish employers and highly qualified candidates interested working in Denmark. We offer practical information and general advice on all issues related to working and living in Denmark.

### Denmark needs

- Psychiatrists
- Gastroenterologists
- Urogynaecologists
- Chemical engineers
- Cardiologists
- Endocrinologists
- Anaesthesiologists
- Patent and Regulatory Affairs specialists
- Pathologists
- Specialists in internal medicine
- Chemists
- Research scientists (nano, cancer, protein, metabolism)
- Urologists
- Gynaecologists
- HSE consultants
- Laboratory Technicians

Both private companies and universities in Denmark are also in need of **PhD's and Post Doc scholarships** for their vacant positions .  
For information about the tasks and requirements of the different job offers and information about working and living in Denmark, see the following link - [www.workinddenmark.dk](http://www.workinddenmark.dk).

### Come visit us!

Following are the different information events we're having in Italy in October 2013. The events are organized in cooperation with EURES Italy. The events will **start up at 2 pm** with presentations on living and working in Denmark and information about the specific need for highly qualified candidates (see list above). There will be a possibility to talk to a Danish Eures-advisor concerning vacant job offers. Please bring your CV in English if you want us to inform you about your possibilities in Denmark.
